Hello,

Happy New Year. We have a training session scheduled for Saturday February 18th at Horizons Christian Assembly in Middlefield, OH. We are offering Ranger Basics and/or Ranger Essentials. Please begin to spread the word to your areas. Have those who want to take the training RSVP to me direct and let me know if they would like to take Ranger Basics or Ranger Essentials. They can call or e-mail and I will start to track our participants. Thank you and God Bless.
